...

We are different

Interruption > Engagement
Mass Media: Unique Channel > Multichannel
Brand Perception > Brand Experience
Consumer as Audience > Consumer as Media
Persuasion > Utility
One-to-Many > One-to-One
Controlled Communication > Open Conversation
Full Scale > Agile
Time-based Pricing > Value to the Client
...

\$90 million generated by our affiliate strategies.

2 million discussions generated by our social media tactics every day.

200 millions emailed designed, optimized and delivered in 2009.

4.5 million is the number of mobile apps designed by code.me that have been downloaded last year.

0.11 seconds is how often someone visits one of our client's websites or app.

1.1 seconds is how often someone clicks on one of our client's search engine sponsored keyword.

12 seconds is how often someone clicks on one of our client's banners.
